### Added Benefits Enhance Rose Membership for 2016-17 Season

---

The Rose Theater's family membership program continues to be the best, most affordable way to enjoy everything the theater has to offer. For less than the price of four single tickets to TWO shows, members can bring a family of four to SEVEN shows. Plus, as an added bonus, several member-only opportunities and benefits are available for the 2016-17 season.

#### For only \$105, family members receive:

- Four free tickets to each of our seven regular season shows - that's 28 free tickets! Additional regular season tickets are only \$10 each (a \$7 per ticket savings).
- A \$7 per ticket discount on our two premium event shows – *Prancer* and *Peter Pan*
- Waiver of the BROADWAY and DRAMA at The Rose annual registration fee of \$15
- A free Member Day complete with workshops, hands-on activities, and more!
- A 10% discount on Rose costume rentals!

For some families, one membership may not provide enough tickets for their entire family. To accommodate larger families we offer a "Family + Individual Membership" for \$130 per family, which provides all family member benefits with five tickets to each regular season production. A "Double Family Membership" for \$210 per family with eight free tickets to each regular production, and all the benefits, is also available.
