- Show Description:** A wildly theatrical, hilarious and innovative retelling of how a miserable orphan came to be The Boy Who Never Grew Up, *Peter And The Starcatcher* upends the century-old legend of Peter Pan. Molly Aster, a 13-year-old Starcatcher Apprentice, finds herself in the company of pirates, a giant crocodile, and angry Mollusks as she and three orphan boys (one of whom happens to be unnamed) attempt to return a trunk of precious starstuff to her father. Adventures abound as they're pursued by a mustachioed pirate captain and his sidekick, Smee. Along the way Molly learns what it means to grow-up and is reunited with her father.
