

# CLASSES FOR STUDENTS WITH EXCEPTIONALITIES

Students with exceptionalities are welcome in all of our classes! We offer these self-contained classes as a great place for a young person to start if they have never taken a Rose class before. We strive to provide the access needs your young person requires to create the best experience. If your student with exceptionalities is interested in a class and would benefit from a one on one aide or other supports, or if you are just curious about what class might be the best fit, please reach out to our Director of Accessibility at [frans@rosetheater.org](mailto:frans@rosetheater.org). We ask that families provide us with any access needs at least three weeks prior to the beginning of the class. Requests past that time cannot be guaranteed. These classes are offered at a subsidized rate for students with exceptionalities and/or disabilities.

## CREATIVE DRAMA CLASSES

Come on a fun adventure that allows you to jump into your own world and create your own characters! We will explore role drama by using our acting tools: body, voice and imagination. Students will share short adventures with the audience, and use their acting tools to show characters while learning to work together with others.
