

CLASSES FOR STUDENTS WITH EXCEPTIONALITIES

Students with exceptionalities are welcome in all of our classes! We offer these self-contained classes as a great place for a young person to start if they have never taken a Rose class before. We strive to provide the access needs your young person requires to create the best experience. If your student with exceptionalities is interested in a class and would benefit from a one on one aide or other supports, or if you are just curious about what class might be the best fit, please reach out to our Director of Accessibility at accessibility@rosetheater.org.

We ask that families provide us with any access needs at least three weeks prior to the beginning of the class. Requests past that time cannot be guaranteed. These classes are offered at a subsidized rate for students with exceptionalities and/or disabilities.

ROSE THEATER CLUBHOUSE

The Rose Clubhouse is a social club specifically designed for teens on the autism spectrum to socialize, play games, and have fun. The Rose Clubhouse utilizes the Socio-dramatic affective relationship intervention modal (SDART) developed under the clinical guidance of Dr. Matthew Lerner and Dr. Karen Levine.
