COMMITMENT AND ATTENDANCE

Attendance is mandatory for all technique classes, competitions and performances.

When it comes to school and family activities, communicate any conflicts with the Competition Director.

Being a well-rounded individual is valuable, and we support dancers pursuing other activities. However, when it comes to participation in a competitive team, skills are constantly being taught, so dancers must be present so as not to miss any opportunity to learn and grow.

By accepting placement in this program, you have agreed that being on the team is a priority in your schedule.
