## Class Etiquette

- No food, gum or beverages (besides water) are allowed in class. Water is permitted and students are encouraged to bring it in covered water bottles.
- Follow dress code at all times.
- Wait to be dismissed from class and follow arrival and departure policy.
- No hanging on ballet barres or climbing on theater fixtures.
- Visit the restroom before class.
- Cell phones are discouraged at Rose camps. If students bring phones, they must remain off or silent and completely out of view for the whole of the camp day. Students may access a public phone at The Rose front desk.
- The Rose is not responsible for lost, stolen or damaged property that a student brings with them to camp.
- Treat other students, instructors and staff with respect at all times, using appropriate language and good manners.

## Behavior Policy

A caring and positive approach will be taken regarding discipline. Rose staff will encourage appropriate behavior through positive reinforcement, direct statements and redirection of activity. If a student artist chooses to behave in any way that is dangerous to themselves or others, or does not demonstrate respect for their fellow artists, instructors, volunteers, staff members or the theater facility, the staff will use the following steps to address the unacceptable behavior:

- **Step 1** - Verbal warning given to student.
- **Step 2** - Phone call or written warning to parents.
- **Step 3** - Conference with parent/guardian. The parent/guardian will be required to sign a written warning and to pick the student up from camp/class.
- If the behavior persists, the student may be asked to leave the program.

## Building Rules

Rose buildings are locked during the day. Visitors must be admitted by front desk staff. We ask students to observe the following rules:

- Treat The Rose buildings and facilities with respect.
- No running in the building.
- No climbing.
- Students must be accompanied by a staff member while in the building; no student is allowed in to be unsupervised.
- For safety, students and parents should use only the front door entrance of the building. (Do not open or prop exterior or side doors. These doors are for emergency use only.)

## Lunch Procedures

Students attending all-day camps or two half-day camps should bring a lunch and two snacks with them from home. Refrigerators and microwaves are not available during the day. All campers should bring a refillable water bottle.

## Free T-shirt

Each summer camp student will receive one free T-shirt at their first camp session.
