

Inclusive Classes

Students with exceptionalities are welcome in all of our classes! We offer these inclusive classes as a great place for a young person to start if they have never taken a Rose class before. We strive to provide the access needs your young person requires to create the best experience. If your student with exceptionalities is interested in a class and would benefit from a one on one aide or other supports, or if you are just curious about what class might be the best fit, please reach out to accessibility@rosetheater.org.
